Dear Ambassador,

Several months ago you had the very good idea to recommend Michal Petr for a secondment to the Competition Division in my Directorate. Michal has now returned to Brno. I would like to express my sincere appreciation for his excellent contribution to our work over the last six months. His report on the implementation of the 2005 Recommendation on merger review, will be submitted to the Council later this year. It is a very meaningful element of an important project for the Competition Committee. His experience and the useful knowledge he shared with the team will be missed. I understand that despite his short time here, Michal befriended every person in the competition team.

Let me thank you again, Mr. Ambassador, for the personal part you took in the success of this first experience under this new programme.

Yours sincerely,

Carolyn Ervin
