PROGRAM FOR BUSINESS VISITORS AND BUYERS

## September 16, 2015

THIS PROGRAM IS PART OF THE **FOR ARCH** INTERNATIONAL BUILDING FAIR

[www.pvaexpo.cz](http://www.pvaexpo.cz)

The largest building trade fair in the Czech Republic

# FOR ARCH

is a perfect platform for B2B meetings, networking, matchmaking and contracting with suppliers and business partners within the construction industry.

If you are interested in business cooperation with both Czech and foreign companies, or if you are seeking a supplier in the field of construction, do not hesitate and make use of the rich experience of the FOR ARCH trade fair organizer.

## Matchmaking Business Meetings

Within this program, we arrange B2B meetings tailored to your needs free of charge.

The 26<sup>th</sup> annual FOR ARCH, the largest fair of the construction industry in the Czech Republic, will take place on September 15-19, 2015 in the PVA EXPO PRAGUE exhibition center. 74.000 people visited and 830 exhibitors participated in the last edition of the fair in 2014. The event is a unique opportunity for both Czech and foreign companies to present their products in an international competition and to meet new distributors, suppliers, business partners and clients. The main topic of this year's FOR ARCH is ENERGY EFFICIENCY OF BUILDINGS.
