

BUSINESS IN DENMARK

Ready to do business in Denmark? – Seminar on the relevant rules and registration

Business in Denmark is hosting a seminar on the relevant rules and registrations for foreign service providers. At the seminar you will learn about VAT and tax rules, insurance against occupational injuries, how to register your company in The Register for Foreign Service Providers (RUT) and how to prepare for inspections from The Danish Working Environment Authority. At the end of the seminar experts from The Danish Tax and Customs Administration (SKAT) and other authorities will be available at computers for practical guidance on registration.

The seminar is free of charge. *Business in Denmark* will provide sandwiches and refreshments.

Sign up here at our [online registration form](#) no later than 15th October.
