

The Arts and Theatre Institute and The Embassy of the Czech Republic in Amman cordially invite you to:

Puppet workshop with Bohuslav Holý

Bohuslav Holý, the Alfa Theatre actor, will introduce children to all of the traditional types of Czech puppets, i.e. string puppets, hand puppets, mannequins, and body puppets. Children will try to operate the puppets in various etudes under the supervision of the workshop leader. They will also cut out and assemble an individual paper finger puppet inspired by European fairy-tales to take home.

Alfa Theatre from the Czech Republic ranks among the top European puppet companies, having toured more than 40 countries. The past two years have included a one-month residency presenting European puppets in the United Arab Emirates and a six-week tour in Japan.
