TECHNICAL MASTERS DEGREE  
IN THE CZECH REPUBLIC

# STUDY TECHNICAL MASTERS DEGREE IN THE CZECH REPUBLIC

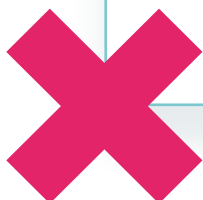

Students are being given incentives to study in the Czech Republic. Three Brno universities are offering Computer Graphics and Multimedia, Engineering mechanics and Biomechanics, Biomedical and Ecological Engineering , Visual Informatics, Computer Systems, Communication, and Security, Software Systems and Services Management, System Engineering and Informatics in English. Courses consist of follow-up master's study programs. Students with a bachelor's degree are eligible for a scholarship covering 50 % of tuition fees – up to an amount of EUR 1,500 a year. Faculties are offering study programs for the winter term in the academic year 2019/2020. To enrol in the upcoming term, from September 2019, it is necessary to submit the application **online before 30th April 2019**.

Students interested in studying in the Czech Republic can also use a consultancy service free of charge. Brno coordinators will help them with the enrolment procedure, and their initial adaption and arrival in the country. Visas must be applied for sufficiently in advance. Universities are offering 30 such scholarships.

## THE PROCEDURE FOR GAINING A SCHOLARSHIP IS AS FOLLOWS:

- **From 1st March 2019 to 30th April 2019**  
– submit your application to the university;
- **From 1st March 2019 to 30th April 2019**  
– submit your online application for a scholarship at the [http://www.jcmm.cz/projekt/stipendia\\_en](http://www.jcmm.cz/projekt/stipendia_en) South Moravian Centre for International Mobility;
- If previous study results are submitted, **the interview or entrance exam may be waived;**
- **30th June 2019,**  
those students who will receive scholarships to study in the upcoming summer term will be finally selected. In order to receive scholarship, it is necessary to be accepted onto the chosen study program.
