# CZECH-UNDP PARTNERSHIP FOR SUSTAINABLE DEVELOPMENT GOALS

The main goal of the Czech-UNDP Partnership is to bring Czech expertise and innovative solutions for SDGs in partner countries. In line with the Czech Official Development Assistance priorities, the Czech-UNDP Partnership focuses on the following 4 areas.

Good  
Governance  
and Rule of Law

Sustainable  
Management  
of Natural Resources

Economic  
Transformation  
and Development

Agriculture  
and Rural  
Development

The Czech-UNDP Partnership addresses development problems identified in cooperation with UNDP Country Offices in three partner countries.

**BOSNIA  
AND HERZEGOVINA**

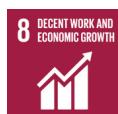

**GEORGIA**

**REPUBLIC  
OF MOLDOVA**

Sustainable, low carbon energy resources, inclusive economic growth, agriculture, good governance and rule of law

Access to justice, economic transformation and SME development, transfer of modern agricultural technologies

Economic transformation and SME development, inclusive economic growth, food quality and food safety, agricultural value chain development, sustainable agricultural production

# 3 COMPONENTS

## EXPERTISE ON DEMAND

Hands on experience and trainings in the partner countries are delivered by experts transferring Czech know-how through technical assistance, expert support, consultations, feasibility studies, providing on-site assessments and trainings.

## CHALLENGE FUND

The Czech Solutions for the SDGs is looking for innovative solutions that generate improvement and value, especially by introducing new methods, ideas, and products. The proposed solutions need to be sustainable and have a potential for scale up. The eligible applicants include the Czech private sector, NGOs, universities, state institutions and research centres.

## KNOWLEDGE MANAGEMENT

Czech-UNDP Partnership applies a knowledge management strategy to ensure that transferred know-how contributes to achieving broader outcomes and has a lasting impact. As a result, the best practices, gained experience as well as profiles of experts and knowledge products are available for the public and other project implementors in the region.

## About Us

The Czech-UNDP Trust Fund, predecessor of the Czech-UNDP Partnership, was established in 2004 as the first trust fund for Central Europe. Within 14 years, it supported successful implementation of 215 projects and initiatives.

16 countries from the region benefited from the Czech-UNDP Trust Fund by professional development of experts, creation of expert network and support for knowledge exchange, meeting international commitments and conditions for EU accession, creation of platforms for business to business, development of local private sector.

The total funding amounted to US\$ 10,200,338.
