<p><u>Measures before Departure from the Kingdom</u></p> <p>- Where required by the country of destination, undergo COVID-19 diagnostic test by RT-PCR technique, at the expense of the traveller.</p>	

**Remarks:**

1. **The use of insurance policies issued by companies registered in Thailand which are under the supervision and have been certified by the Office of Insurance Commission should be encouraged and promoted.**
2. **Exempted persons or persons under (2):** The Prime Minister or Chief Official responsible for remedying the emergency situation may prescribe specific measures as appropriate other than those prescribed in the table.
3. **Isolation of travellers:** Where the communicable disease control officer conducts a screening and finds that the traveller has respiratory symptoms or a fever, or where the result of the COVID-19 diagnostic test by RT-PCR technique confirms the finding

of the disease, or where the traveller has respiratory symptoms or a fever during the quarantine or control for observation, such traveller shall be transferred to the hospital determined by the government.

**4. Determining the start of the quarantine: when travellers enter into the Kingdom**

4.1 For travellers entering into quarantine at the determined place before 12.00hrs, the date of entry into quarantine shall count as the first date of quarantine.

4.2 For travellers entering into quarantine at the determined place from 12.00hrs to 24.00hrs, the day after the date of entry into quarantine shall count as the first date of quarantine.

**5. Agencies responsible for the supervision of the operation of places of quarantine determined by the government shall consist of:**

5.1 The Ministry of Defence shall monitor, supervise and manage places of quarantine designated as State Quarantine (SQ) and Alternative State Quarantine (ASQ);

5.2 The Ministry of Interior shall monitor, supervise and manage places of quarantine designated as Local Quarantine (LQ) and Alternative Local Quarantine (ALQ);

5.3 The Ministry of Public Health shall monitor and supervise the provision of medical services in places of quarantine determined by the government to be in accordance with disease prevention measures during the stay in the Kingdom.
