Czech Institutional Involvement in Erasmus+ Programme 2014-2020

ERASMUS+

Czech institutions joined the Erasmus programme in 1998. The focus of the new Erasmus+ programme, reconceptualized in 2014, is to equip participants with new skills and improve their chances on the labour market. Higher education institutions (HEIs) and other organisations can take part in a wide range of projects, such as Erasmus Mundus Joint Master Degrees, highly integrated international study programmes provided by consortiums of universities, international strategic partnerships and other programmes aimed at developing initiatives, promoting innovation, exchanges of experience and know-how between different types of organizations in the field of education. During the period 2014 to 2020 a total of 66 institutions (all Czech public and state higher institutions, about a half of the private higher education institutions and part of tertiary professional schools) participated in student and staff mobility programmes within the EU, and 28 institutions were involved in the international credit mobility programme enabling student mobility with non-EU countries.

Mobility Programmes

	Number of Czech HEIs
Mobility between Programme Countries (KA103)	66
Mobility between Programme and Partner Countries (KA107)	28

Cooperation Projects	Number of Czech coordinators' projects	Total number of projects
Strategic partnerships	74 (KA203, KA226)	212 (KA203)
Capacity Building in Higher Education	4	47
Erasmus Mundus Joint Master Degrees	4	31
Jean Monnet activities	15	21
European Universities	0	4
Knowledge Alliances	0	11

is an official resource on Czech higher education for prospective and current international students.

STUDY IN THE CZECH REPUBLIC is an initiative of the Centre for International Cooperation in Education (CICE), established by the Ministry of Education, Youth and Sports of the Czech Republic.

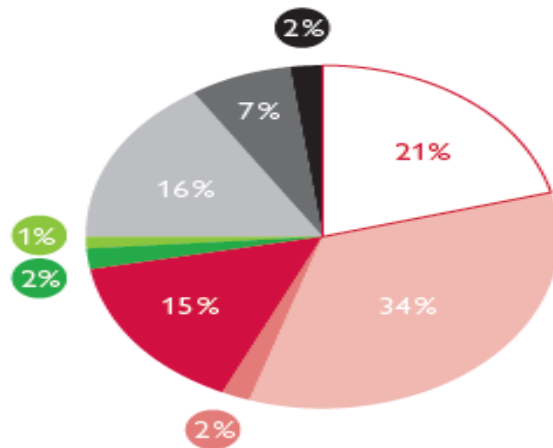

Charles University
Prague, Czech Republic

Study at Charles University

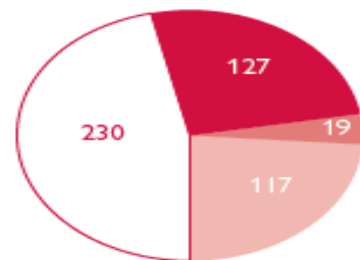

Charles University is the largest university in the Czech Republic and educates approximately **16 %** of all students of the Czech Republic. Students of Charles University attend approximately **500** accredited study programmes.

Structure of students based on areas of education

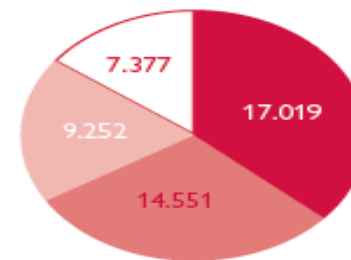

- Natural sciences
- Technical branches
- Medical, healthcare and pharmaceutical sciences
- Social sciences and services
- Economics
- Law and public administration
- Educational, teaching and social welfare
- Cultural and art branches
- Psychological branches

Number of degree programmes

- Bachelor's degree
- Follow-up Master's degree
- Long cycle Master's degree
- Doctoral degree

Number of students in degree programmes

Study at Charles University in an international context

Charles University has an estimable amount of the inter-institutional agreements within Erasmus exchange programme and ranks of faculty agreements with partners from all over the world.

CU participates in dozen joint degree Master's and PhD programmes, joint supervision of dissertation (the cotutelle

system) and Erasmus Mundus II international programmes. Furthermore, Charles University also invites students to attend a number of summer schools and preparatory courses.

According to official European Union statistics, the number of incoming Erasmus students puts Charles University in 5th place in Europe; in terms of outgoing students, it ranks 10th.

COOPERATION WITH INDUSTRY

The University has built up strong bonds with its industrial partners, including important world-scale players, - such as **NASA, GE, IBM, AVAST, Skanska, Skoda-Volkswagen** and more.

RESEARCH

Research is carried out at all eight faculties and also at the **University Center for Energy Efficient Buildings (UCEEB)**, the **Czech Institute of Informatics, Robotics, and Cybernetics (CIIRC)**, the **Klokner Institute**, the **Institute of Technical and Experimental Physics**, and the **MIAS School of Business**.

CTU RANKINGS

CTU took **9th** place in the **QS ECA University Rankings**. Prague appears in many Best Student Cities rankings in top places confirming its safe and international environment.

**FRANCOUZSKO-ČESKÝ INSTITUT ŘÍZENÍ
INSTITUT FRANCO-TCHÈQUE DE GESTION**

VYSOKÁ ŠKOLA EKONOMICKÁ V PRAZE
UNIVERSITÉ D'ECONOMIE DE PRAGUE

IFTG

Francouzsko-český institut řízení (IFTG) je vzdělávacím střediskem Vysoké školy ekonomické v Praze pro dospělé. Je jedinou vzdělávací institucí v České republice, která se již od roku 1990 specializuje na vzdělávání frankofonních manažerů. Cílem institutu je podporovat ekonomickou spolupráci mezi Francií a Českou republikou prostřednictvím vzdělávacích programů. Činnost IFTG je podporována velvyslanectvím Francouzské republiky v ČR.

IFTG

L'Institut Franco-Tchèque de Gestion (IFTG) est un centre de formation au sein de l'Université d'Économie de Prague. L'IFTG est le seul centre à se spécialiser dans la formation des cadres tchèques francophones. Son objectif est de promouvoir par l'intermédiaire de la formation la coopération économique entre la France et la République tchèque. Les activités de l'IFTG sont soutenues par l'Ambassade de France en République tchèque.

MBA – MAE MASTER MANAGEMENT ET ADMINISTRATION DES ENTREPRISES

Studium MBA umožňuje získat dva diplomy. Francouzský státní diplom MASTER 2 Management et Administration des Entreprises vydává l'aelyon, School of Management, Université Jean Moulin Lyon 3. Program je řádně akreditován francouzským Ministerstvem školství. Absolvent zároveň obdrží diplom MBA Vysoké školy ekonomické v Praze. V České republice je program akreditován Českou asociací MBA škol CAMBAS.

MBA – MAE MASTER MANAGEMENT ET ADMINISTRATION DES ENTREPRISES

La formation donne accès à deux diplômes. La formation MASTER 2 en formation continue est sanctionnée par le diplôme universitaire généraliste de gestion d'entreprise MASTER Management et Administration des Entreprises, délivré par l'aelyon, School of Management, Université Jean Moulin Lyon 3, diplôme reconnu par l'Etat français. La formation donne également accès au diplôme MBA délivré par l'Université d'Economie de Prague. Le programme est accrédité par CAMBAS (Czech Association MBA Schools).

CÍLE STUDIJNÍHO PROGRAMU

Cílem kurzu MBA je připravit studenty pro manažerské pozice ve francouzských firmách nebo v českých podnicích, které mají zájem na rozvoji obchodní spolupráce s Francií. Během studia získají studenti vědomosti a dovednosti, které jim umožní:

- analyzovat podstatu manažerských problémů
- reagovat na změny podnikatelského prostředí
- používat vhodné manažerské nástroje a moderní metody řízení
- samostatně se rozhodovat
- koncipovat krátkodobé cíle i dlouhodobé podnikatelské strategie
- využít v praxi jazykové znalosti a pracovat v multikulturním prostředí

OBJECTIFS DE LA FORMATION

L'objectif de la formation est de préparer les étudiants à occuper des débouchés professionnels dans les entreprises françaises ou dans les entreprises tchèques souhaitant développer les affaires avec la France. L'architecture du Master MAE permet aux participants:

- d'identifier les enjeux du management
- de cerner les changements économiques majeurs
- de disposer des outils nécessaires à tout gestionnaire
- de prendre des décisions
- d'articuler ces différentes connaissances dans leur management opérationnel et/ou stratégique
- de bénéficier du profil d'un gestionnaire bilingue et bi-culturel

PODMÍNKY PRO PŘIJETÍ

Podmínkami pro přijetí jsou velmi dobrá znalost francouzštiny a češtiny, ukončené vysokoškolské vzdělání, popř. absolutorium 8 semestrů vysoké školy (možnost paralelního studia pro posluchače 5. ročníků vysokých škol). Výjimečně mohou být přijati absolventi bakalářského stupně s prokazatelnou tříletou praxí (o jejich konečném přijetí rozhoduje odborná komise v Lyonu). Přijímací řízení probíhá formou ústního pohovoru ve francouzštině. Přijímací komise je složena ze zástupců VŠE v Praze a laelyon, School of Management.

CONDITIONS D'ADMISSION

Le Master MAE est ouvert aux candidats avec une bonne connaissance de la langue tchèque et française, soit titulaires d'un diplôme d'études supérieures (bac +5), soit d'un parcours d'études supérieures au niveau bac +4 ou d'un diplôme équivalent au bac +3 et disposant d'une expérience professionnelle de plus de 3 ans à un poste de responsabilité. L'admission de ces derniers candidats est ensuite soumise à une validation de leurs acquis par la commission ad hoc à Lyon. Les candidats sont conviés à un entretien avec un jury composé d'universitaires tchèques et français.

ŠKOLNÉ

Cena za celý kurz: 60 000 Kč

COUT DE LA FORMATION

Prix: 60 000 Kč

Rozvoj osobnosti manažera	Développement du manager

**Cinnost institutu podporuje od jeho založení
Francouzské velvyslanectví v České republice.**

Hlavním partnerem ve Francii je Iae Lyon, School of Management, Université Jean Moulin Lyon 3. Institut podnikového managementu v Lyonu byl založen v roce 1955. V současné době patří k největším francouzským vzdělávacím institucím v oblasti řízení. S Vysokou školou ekonomickou v Praze spolupracuje od roku 1992.

**L'IFTG, depuis sa création, est soutenu par
l'Ambassade de France en République tchèque.**

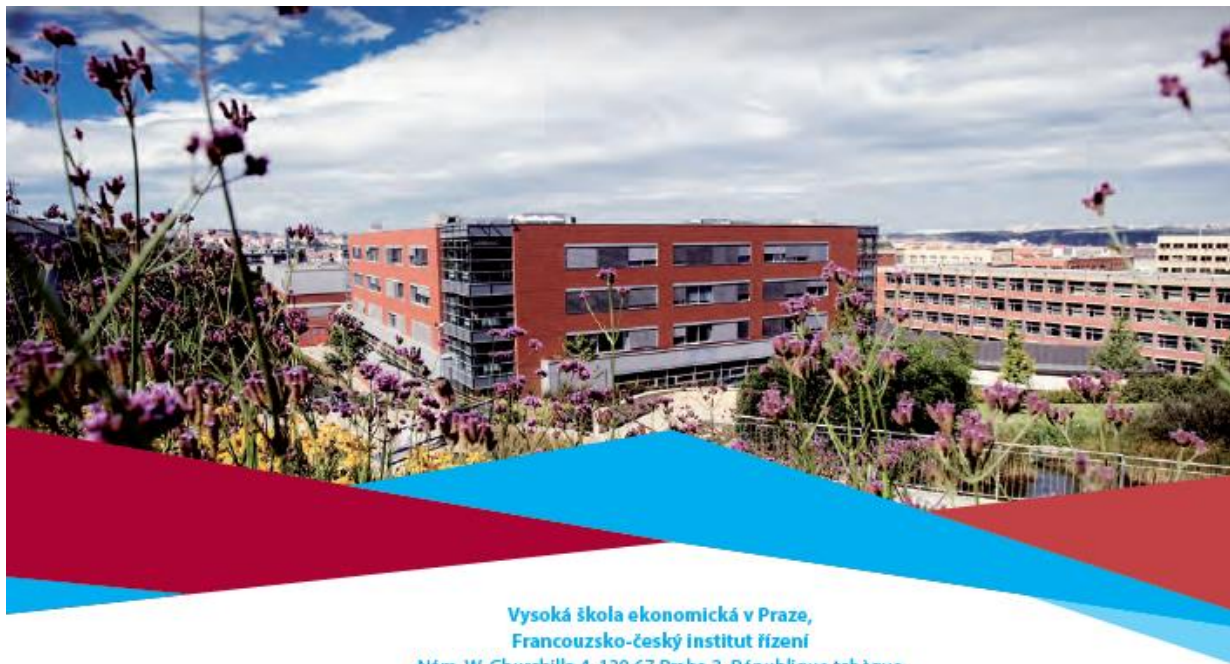

L'Iae Lyon, School of Management est le partenaire principal en France. Créé en 1995, l'Institut d'Administration des Entreprises de Lyon s'est considérablement développé pour devenir l'un des plus importants pôles universitaires français d'enseignement de la Gestion et du Management. L'IAE de Lyon coopère avec l'Université d'Economie de Prague depuis 1992.
