

## Declaration of a visa holder/applicant

Name: .....

Date of Birth: .....

I hereby declare that I have read and fully understood the information below:

- Entry to the Czech Republic is restricted due to the COVID-19 pandemic and the rules for entry are determined by the Protective Measure of the Ministry of Health on the conditions of entry onto the territory of the Czech Republic.
- **Visa issuance (both short-term and long-term) does not automatically grant entry to the Czech Republic.**
- **All persons arriving in the Czech Republic must comply fully with the entry conditions and observe quarantine measures.**
- **Visa holders/applicants must be fully vaccinated against Sars-CoV-2 at least 14 days before the planned entry/lodging the application and be able to show a valid vaccination certificate recognized by the Czech Republic authorities.**
- The certificate must be issued in Czech or in English by an authorized body in a third country and contain details about the vaccinated person, type of vaccine administered, date of vaccine administration and identification of the authorized body that issued the certificate. These details must be verifiable by remote access directly from the written certificate.
- The Czech Republic recognizes only vaccines approved by the European Medicines Agency (EMA) and the World Health Organisation (WHO) for emergency use.

More information on vaccination certificates recognized by the Czech Republic can be found at
