Dear Sir

Dear Madam

We would like to thank you for participating in the 49th year of the International Children's Exhibition of Fine Arts Lidice 2021 (ICEFA) with the theme **ROBOT and Artificial Intelligence**.

The exhibition is on display at the Lidice Gallery from June 1, 2021 till January 31, 2022.

There were 11 213 artworks from 72 countries sent to this year's edition. Out of them 945 entries won prizes and 156 medals were awarded.

Congratulations! It is a great pleasure for us to inform you that some young artists from your institution were awarded!

Enclosed you will find **medals and diplomas / honourable mention diplomas** and also the **49th catalogue** and an **invitation to the next year's 50th annual exhibition**. We deeply hope that you will participate in our contest again next year and at the same time we would like to ask you to spread the word about the ICEFA Lidice exhibition among other schools and institutions near and far.

On our website (www.mdvv-lidice.cz/en), you can find information, photos and films from the exhibition, photographs of all awarded works, the catalogue in pdf, an Invitation to participate in the 50th ICEFA Lidice 2022 and an Application form with a table for identification of works in English. On this website, you will also be able to track entries we have received.

We are looking forward to your artwork - the theme for next year is: **MUSEUM**.
