The Ministry of International Relations and Cooperation presents its compliments to All Heads of Diplomatic Mission, International and Regional Organizations and Consular Representatives accredited to the Republic of Namibia and has the honour to communicate the attached Amended Public Health Covid-19 General Regulations published on 21 October 2020 as well as Press Release by the Ministry of Health and Social Services regarding the changes in the approval of travels and quarantine request by travelers as follows;

1. The regulations came into operation at 00: 00 on 22 October 2020 and cease to have effect at 24:00 on 30 November 2020
2. All travelers (including tourist, business travelers and Permit Holders) who arrive in Namibia with a negative PCR test result , that is not older than 72 hours, will be permitted to proceed to their final destination in the country. The requirement for the mandatory 5 day retest has been withdrawn.
3. All travelers who arrive in Namibia with a negative PCR test result that is older than 72 hours but not older than 7 days will be permitted to enter the country, however will be required to undergo 7-days supervised quarantine at home or at a tourism facility. In the event that these environments do not fulfill quarantine requirements, the travelers will be place under mandatory Government quarantine facilities at own cost.
4. Permit Holders may enter the country with or without a COVID-19 PCR test result. In the event that such persons present a positive test result or not result at all, they will be subjected to mandatory quarantine and testing or isolation, after arrival. This provision shall also apply to aircraft and marine vessel crew members; humanitarian aid workers, essential services providers as well as operators and drivers of cross-border transport vehicles who arrive in the country without the requisite test.

The afore-mentioned travelers can forward their applications for Home-Supervised Quarantine directly to the Ministry of Health and Social Services, health.travel@mhss.gov.na for approval. Such request should not be forwarded through MIRCO. Travelers crossing Namibian borders are advised to send their forms directly to the concerned region, for approval. The forms are attached hereto.

5. Non- Namibians who do not present a negative COVID-19 PCR test result, will not be granted entry into the country.

6. In addition, please find for your consideration a Press Release by the Ministry of Health and Social Services regarding the changes in the approval of travels and quarantine request for travelers.
7. The regulation to inform Namibian Missions 14 days prior to a visit to Namibia is no longer applicable. The Ministry of Health and Social Services further advises that all travelers adhere to the Infection Prevention Control measures provided in the Public Health COVID-19 General Regulations: Public Environmental Health Act, 2015.

The Ministry of International Relations and Cooperation avails itself of this opportunity to renew to the Missions, International and Regional Organizations and Consular Representatives the assurances of its highest consideration.

2020

AMENDMENT OF PUBLIC HEALTH COVID-19 GENERAL REGULATIONS: PUBLIC AND ENVIRONMENTAL HEALTH ACT, 2015

In terms of section 29(1) of the Public and Environmental Health Act, 2015 (Act No. 1 of 2015), I have amended the Public Health Covid-19 General Regulations as set out in the Schedule.

DR. K. SHANGULA

MINISTER OF HEALTH AND SOCIAL SERVICES

Windhoek, 21 October 2020

SCHEDULE

Definitions

1. In these regulations “the Regulations” means the Public Health Covid-19 General Regulations published under Government Notice No. 233 of 23 September 2020 as amended by Government Notice No. 235 of 29 September 2020.

Amendment of regulation 2 of Regulations

2. Regulation 2 of the Regulations is amended by the substitution for subregulation (2) of the following subregulation:

“(2) These regulations come into operation at 00:00 on 22 October 2020 and cease to have effect at 24:00 on 30 November 2020.”.

Amendment of regulation 4 of Regulations

3. Regulation 4 of the Regulations is amended by the substitution for subregulation (1) of the following subregulation:

“(1) For the purpose of this regulation, “gathering” means a group of more than 200 persons.”.

Amendment of regulation 9 of Regulations

4. Regulation 9 of the Regulations is amended by -

(a) the substitution for subregulation (1) of the following subregulation:

“(1) Persons who -

(a) may not be refused entry into Namibia under regulation 8(1); or

(b) are permitted entry under regulation 8(2),

must, on entering Namibia, be subjected to quarantine requirements as set out in these regulations and the directives.”.

(b) by the deletion of subregulations (1A), (1B) and (1C);

(c) the substitution for subregulation (2) of the following subregulation:

“(2) Persons referred to in subregulation (1) who on entry into Namibia present to an authorised person a negative SARS-CoV-2 PCR test result issued by a laboratory that is certified in the country of issue to issue such test results and which test result -

(a) is not older than 72 hours, may not be subjected to mandatory quarantine provided that they comply with the requirements of these regulations while in Namibia;

(b) is older than 72 hours but not older than seven days, must be subjected to supervised quarantine -

(i) at home or at a tourism facility approved by an authorised person;
or

(ii) if the place referred to in subparagraph (i) does not meet the quarantine requirements, at a designated quarantine facility,

for a period of seven day.”.

(d) the insertion after subregulation (2) of the following subregulations:

“(2A) Despite subregulation (2), returning Namibian citizens or holders of Namibian residence or employment permits may enter Namibia -

- (a) without an SARS-CoV-2 PCR test result; or
- (b) with a positive SARS-CoV-2 PCR test result,

but in either case such persons must be subjected to mandatory quarantine and testing or isolation at a designated quarantine or an isolation facility for a period of seven days.

(2B) Despite subregulation (2) -

- (a) persons referred to in regulation 8(6);
- (b) crew members of the motor vehicles, locomotives, aircraft or shipping vessels referred to in regulation 8(6)(a);
- (c) providers of essential services or goods; or
- (d) persons entering Namibia to provide humanitarian assistance,

may enter Namibia without an SARS-CoV-2 PCR test result but such persons must be subjected to mandatory quarantine and testing for COVID-19 at a designated quarantine facility for a period of seven days.”.

Substitution of regulation 10 of Regulations

5. The following regulation is substituted for regulation 10 of the Regulations:

“10. (1) For the purposes of this regulation -

“vehicle” means a vehicle as defined in section 1 of the Road and Transport Act, 1999 (Act No. 22 of 1999) and includes a locomotive that is used for the transportation of passengers or goods by railway; and

“motor vehicle” means a motor vehicle as defined in section 1 of the Road and Transport Act, 1999 (Act No. 22 of 1999).

(2) Every owner or operator of a vehicle used for the purposes of conveying persons or goods for reward must -

- (a) ensure that the driver of a public vehicle carrying passengers in terms of an authorisation granted in terms of any law wears a mask and the driver must ensure that all passengers wear masks at all times;
- (b) provide alcohol-based hand sanitisers for use in the vehicle; and
- (c) regularly disinfect or cause the regular disinfection of the vehicle used for the purposes of conveying persons or goods, before and after each conveyance.

(3) A person who contravenes or fails to comply with subregulation (2) commits an offence and is on conviction liable to the penalties specified in section 29(3) of the Act.”.

Amendment of Regulation 27 of Regulations

6. Regulation 27 of the Regulations is amended by the deletion of subregulation (2).

PRESS RELEASE

CHANGES IN THE APPROVAL OF TRAVELS AND QUARANTINE REQUEST FOR TRAVELERS

The Ministry of Health and Social Services is hereby informing members of the public and travelers that since the Minister for Immigration, has granted permission for specified categories of travelers to enter into Namibia as per Regulation 8, no further approval for entry into Namibia is required from the Ministry of Health and Social Services. However, quarantine and other requirements still apply to specified categories of travelers as follows:

- ALL travelers (including tourists, business travelers and all Namibians and Permit Holders) who arrive in Namibia with a negative PCR test result, that is not older than 72 hours, will be permitted to proceed to their final destination in the country. The requirement for the mandatory five (5) day retest has been withdrawn.
- All travelers who arrive in Namibia with a negative PCR test result that is older than 72 hours, but not older than 7 days, will be permitted to enter the country. However, they will be required to undergo 7-days supervised quarantine at home or tourism facility. In the event that these environments do not fulfil quarantine requirements, the travelers will be placed under mandatory quarantine at Government approved facilities at own cost.
- Non-Namibians, who do not present a negative COVID-19 PCR test result, will not be granted entry into the country. Returning Namibian citizens or Permit Holders may enter the country with or without a COVID-19 PCR test result.
- In the event such persons present a positive test result or no result at all, they will be subjected to mandatory quarantine and testing or isolation, after arrival. This provision shall also apply to aircraft and marine vessel crewmembers; humanitarian aid workers, essential service providers, as well as operators and drivers of cross-border transport vehicles who arrive in the country without the requisite test.

10

To speed up the process and avoid overcrowding at the borders, a risk factor for COVID-19 transmission, the Chief Health Officer has authorized all Regional Directors to approve quarantine requests for all persons permitted entry into Namibia who are entering through Ports of Entry in the respective regions, in line with the provisions and requirements of the regulations.

All quarantine application forms are on the Ministry's website <https://mhss.gov.na/>. Completed form and supporting documents must be submitted to the Regional Directors of the respective region where the traveler intent to be quarantined, as follows:
