

List (issued and valid from 13.8.2018) of 84 import prohibited goods of the oil industry with similar local production.

Issued by Ministry of Oil.

	Name	Additional explanation
1	Casing accessories	Shoe, collar, plugs
2	Liner hanger	Mechanical/hydraulic for all sizes
3	Wellhead equipment	Wellhead and x-mass tree
4	Casing & liner	(welded) RL-4, PSL2, BTS, STS, X65, X55, 175 PPF, 117 PPF
5	Whip stock	
6	Perforating equipment	
7	Milling tools	Junk mills, ECONO mills
8	Drilling cements	BARIT, drilling mud additives
9	Chemical injection package	CIP
10	Electrostatic distiller	(oil processing)
11	Vacuum deaerator packages	
12	Conduct & fitting	
13	Control panel	
14	Marshalling cabinet	
15	PLC integration	
16	Annunciation panel	
17	Interposing relay cabinet	
18	Lighting pole/ arm/ tower	
19	Protection & control panel	
20	Welded steel fittings	

21	Maribel fittings	
22	Input scrubber of gas pressure booster station	
23	Emulsifier	
24	Gas pressure regulation station	T8S – CGS – PCS
25	Biocide	
26	Centrifugal water pump	
27	Dehydration equipment	
28	Suspension breaker	
29	Aerial pipe cutter blades	
30	Scrubber and separation systems	
31	Oil cooling systems of Sulzer, Taurus and Typhon turbines	
32	Fireproof doors	
33	Gas odorization equipment	(bypass – injection)
34	Polyethylene welding unit	Electrofusion welding unit
35	Household gas regulator	5 – 180 m ³ /h
36	Industrial gas regulator	With or without shutoff up to 6 inches
37	Turbine oil	
38	F & G system integration	
39	DCS / FCS integration	
40	Steel plate valve	2 – 24", class 150 – 2500
41	Steel butterfly valve	Up to 12", class 150 and 300
42	Steel ball valve (manual – gearbox)	Up to 58", class 150 – 2500
43	Steel plug valve (manual – gearbox)	1 – 24", class 150, 300, 500
44	Steel needle valve	¼ - 1 "
45	Steel shutoff valve	

46	Steel sliding valve	2 – 24", class 150 – 2500
47	One-way steel valve	2 – 24", class 150 – 2500
48	Safety valve, pilot operated valve	2 – 3 ", class 900, 1500, 2500
49	Anticorrosion materials	
50	Pipe outer insulation	
51	Moisture insulation	
52	Steel flinches	
53	Filter coil	
54	Dry gas filter	12" input/output
55	Sulphur retrieving catalyst	Active Alumina – TiO ₂
56	Steam reforming catalyst	
57	Gas desulphurization catalyst	ZNO
58	Naphtha reforming catalyst	CRU
59	Active carbon	
60	Air compressors	
61	Air coolers of gas pressure boost stations	
62	Steel pipes transferring heat	Up to 1", ERW Tube
63	Atmospheric storage tank	
64	Spherical tank	
65	Composite tank	GRV, GRP, FRP, GRVE
66	Anti-foam chemicals	
67	Refractory materials	
68	PSA absorber	
69	Valve test bench	
70	Indirect heaters	Up to 100000 capacity
71	Wire line unit – logging unit	

72	Conventional	Up to 10000 psi
73	Ball valve	6A, API 3000-6000 psi M/C: AA-FF, 2-1/16 to 7-1/16
74	Chock valve positive adjustable	PSL 1,2,3 – PR 1, R2, M/C: AA-FF
75	Wellhead control panel	
76	Velocity chock valve	
77	Finned tube	
78	Firefighting: valves, fittings, hose box and hose reel	Hydrant valve, gate valve, globe valve, Daluga valve, monitors, nozzles, fitting coupling, adaptor, caps
79	Composite pipe and fittings	GRE/GRP/GRVE
80	Cleaning pig	
81	Safety glasses	
82	Cable tray and ladder, trucking & accessories	
83	Sliding bearings	Journal/ Thrust
84	Metal & rubber expansion joint flanged end	Butt Weld Ends
