Rules for entry and return to the Czech Republic (as of 27th October 2021)

PART A

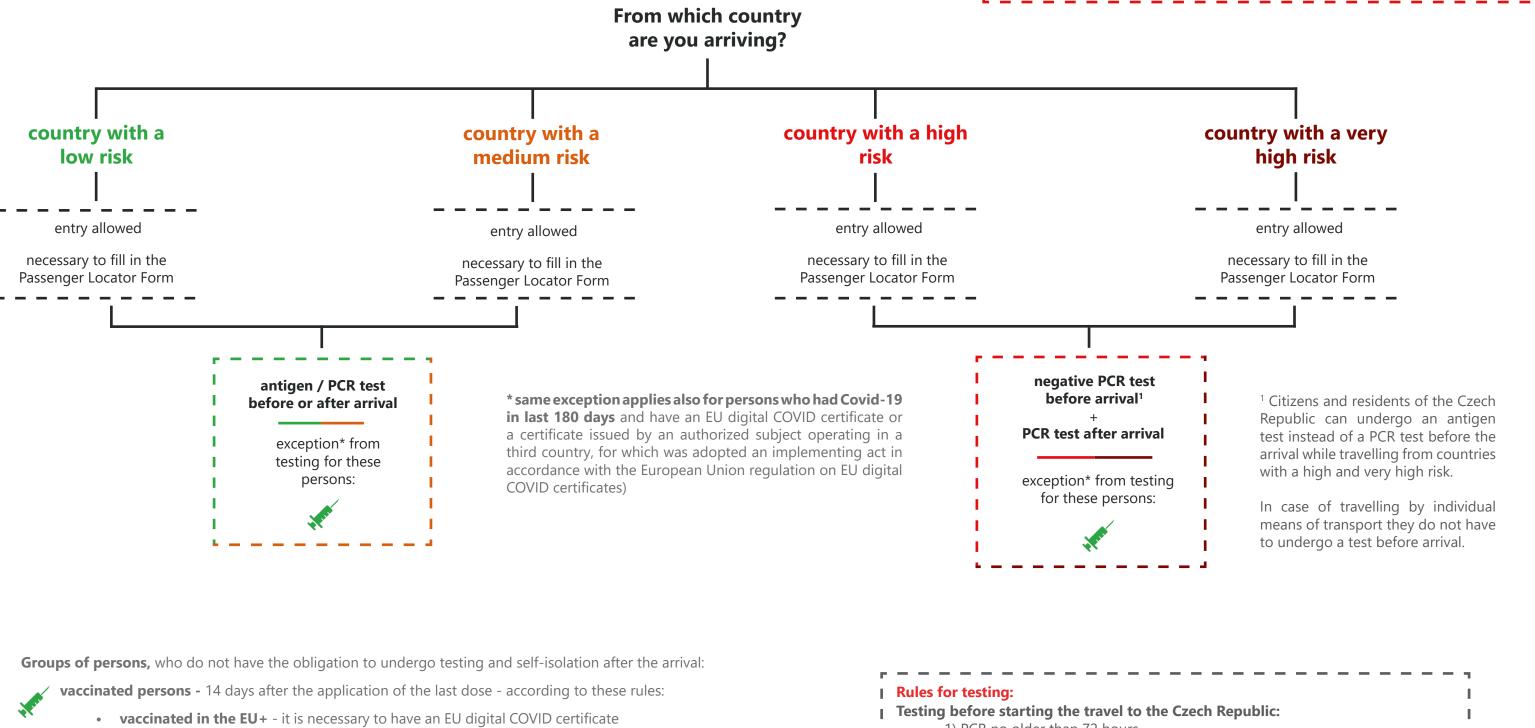

citizens of Czechia and foreign nationals with a residence permit issued by the Czech Republic citizens of EU+ and foreign nationals with a long-term or permanent residence permit issued by EU+

it is possible to enter the country for any reason

Citizens and residents of the Czech Republic

Citizens of the Czech Republic and their family members who are holders of a temporary residence permit, EU+ citizens who are holders of a certificate of a temporary residence and foreign nationals with a permanent residence permit in the Czech Republic.

Travellers from all countries have an obligation to fill in the Passenger Locator Form before the arrival.

There are several exceptions from the obligation to fill in the Passenger Locator Form or undergo testing. All rules and exceptions can be found in the Ministry of Health Protective Measure.

A list of countries with a low, medium and high risk of Covid-19 transmission can be found here. A country listed in neither list of countries is considered as a country with a very high risk of Covid-19 transmission.

vaccinated outside of the EU+ - it is necessary to have an EU digital COVID certificate or a written confirmation whose sample is published on the Ministry of Health website; only vaccinations approved by EMA or products producted in compliance with the patent of the approved vacctinations are accepted

Citizens and residents of Czechia can enter the country even in case of a positive test before arrival. Rules for transport with a positive test are described in the Ministry of Health Protective Measure.

- 1) PCR no older than 72 hours
- 2) antigen no older than 48 hours

Testing after arrival to the Czech Republic - between 5th and 7th day after the arrival from a country with a high or very high risk; until receiving a negative result of a test it I is obligatory to wear a respirator outside of the accommodation.
