# Czech Nano Day

23 October 2018 | Embassy of the Czech Republic  
afternoon | 26–30 Kensington Palace Gardens, London W84QY

The exhibiting Czech companies and researchers will be showcasing advanced materials and nanotech based batteries, nanocomposites, medical and pharmaceutical applications of nanotechnologies.

The event takes place as a part of the “Czech Week” (22-28 October 2018), organised to celebrate the 100th anniversary of Czechoslovakia.
