**PROTOCOL****to the Agreement on the Member States that do not fully apply the Schengen *acquis***

The Member States which are bound by the Schengen *acquis* but which do not yet issue Schengen visas pending the relevant Council decision to that end, shall issue national visas the validity of which is limited to their own territory.

In accordance with Decision No 582/2008/EC of the European Parliament and of the Council of 17 June 2008 introducing a simplified regime for the control of persons at the external borders based on the unilateral recognition by Bulgaria, Cyprus and Romania of certain documents as equivalent to their national visas for the purposes of transit through their territories <sup>(1)</sup>, harmonised measures have been taken in order to simplify the transit of holders of Schengen visas and Schengen residence permits through the territory of the Member States not yet fully applying the Schengen *acquis*.

**Joint Declaration on Article 8 of the Agreement concerning diplomatic and service passports**

Either Party may invoke a partial suspension of the Agreement, and in particular of Article 8, in accordance with the procedure set out in Article 12(5), if the implementation of Article 8 leads to abuse by the other Party or to a threat to public security.

If the implementation of Article 8 is suspended, the two Parties shall initiate consultations in the framework of the Committee set up by the Agreement with a view to solving the problems that led to the suspension.

As a priority, both Parties undertake to ensure a high level of security for diplomatic and service passports, in particular by integrating biometric identifiers. For the Union, this will be ensured in accordance with the requirements set out in Council Regulation (EC) No 2252/2004 of 13 December 2004 on standards for security features and biometrics in passports and travel documents issued by Member States <sup>(1)</sup>.

---

**Joint Declaration on the harmonisation of information on procedures for issuing short-stay visas and on the documents to be submitted when applying for short-stay visas**

Recognising the importance of transparency for visa applicants, the Parties consider that appropriate measures should be taken:

- in general, to draw up a list of basic information for applicants on the procedures and conditions for applying for visas, on the visas themselves and on the validity of the visas issued;
- in the case of each Party, to draw up a list of minimum requirements in order to ensure that applicants are given basic, coherent and uniform information and are required to submit, in principle, the same supporting documents.

The information mentioned above is to be disseminated widely (on the information board of consulates, in leaflets, on the internet, etc.).

**Joint Declaration concerning the Kingdom of Denmark**

The Parties take note that the present Agreement does not apply to the procedures for issuing visas by the diplomatic missions and consular posts of the Kingdom of Denmark.

It is therefore desirable that the authorities of Denmark and of Cape Verde should conclude, without delay, a bilateral agreement on facilitating the issue of short-stay visas, in terms similar to those in the Agreement between the Union and Cape Verde.

---

**Joint Declaration concerning Ireland and the United Kingdom of Great Britain and Northern Ireland**

The Parties take note that the present Agreement does not apply to the territory of Ireland or of the United Kingdom of Great Britain and Northern Ireland.

It is therefore desirable that the authorities of the United Kingdom of Great Britain and Northern Ireland, Ireland and Cape Verde should conclude bilateral agreements on facilitating the issue of visas.

---

**Joint Declaration concerning the Republic of Iceland, the Kingdom of Norway, the Swiss Confederation and the  
Principality of Liechtenstein**

The Parties take note of the close relationship between the Union and the Republic of Iceland, the Kingdom of Norway, the Swiss Confederation and the Principality of Liechtenstein, particularly by virtue of the Agreements of 18 May 1999 and 26 October 2004 concerning the association of these countries with the implementation, application and development of the Schengen *acquis*.

It is therefore desirable that the authorities of the Republic of Iceland, the Kingdom of Norway, the Swiss Confederation, the Principality of Liechtenstein and Cape Verde should conclude, without delay, bilateral agreements on facilitating the issue of short-stay visas, in terms similar to those set out in this Agreement.

—

**Joint Declaration on cooperation on travel documents**

The Parties agree that when monitoring the implementation of the Agreement, the Joint Committee established under Article 11 should evaluate the impact of the level of security of the respective travel documents on the functioning of the Agreement. To that end, the Parties agree to regularly inform each other about the measures taken to avoid the proliferation of travel documents, to develop the technical aspects of travel document security, and regarding the personalisation process in the issue of travel documents.
