

# Rules for entry and return to the Czech Republic (as of 27<sup>th</sup> October 2021)

## PART B

third-country nationals who do not have any residence permit issued by the Czech Republic or a long-term or permanent residence permit issued by other EU+ country

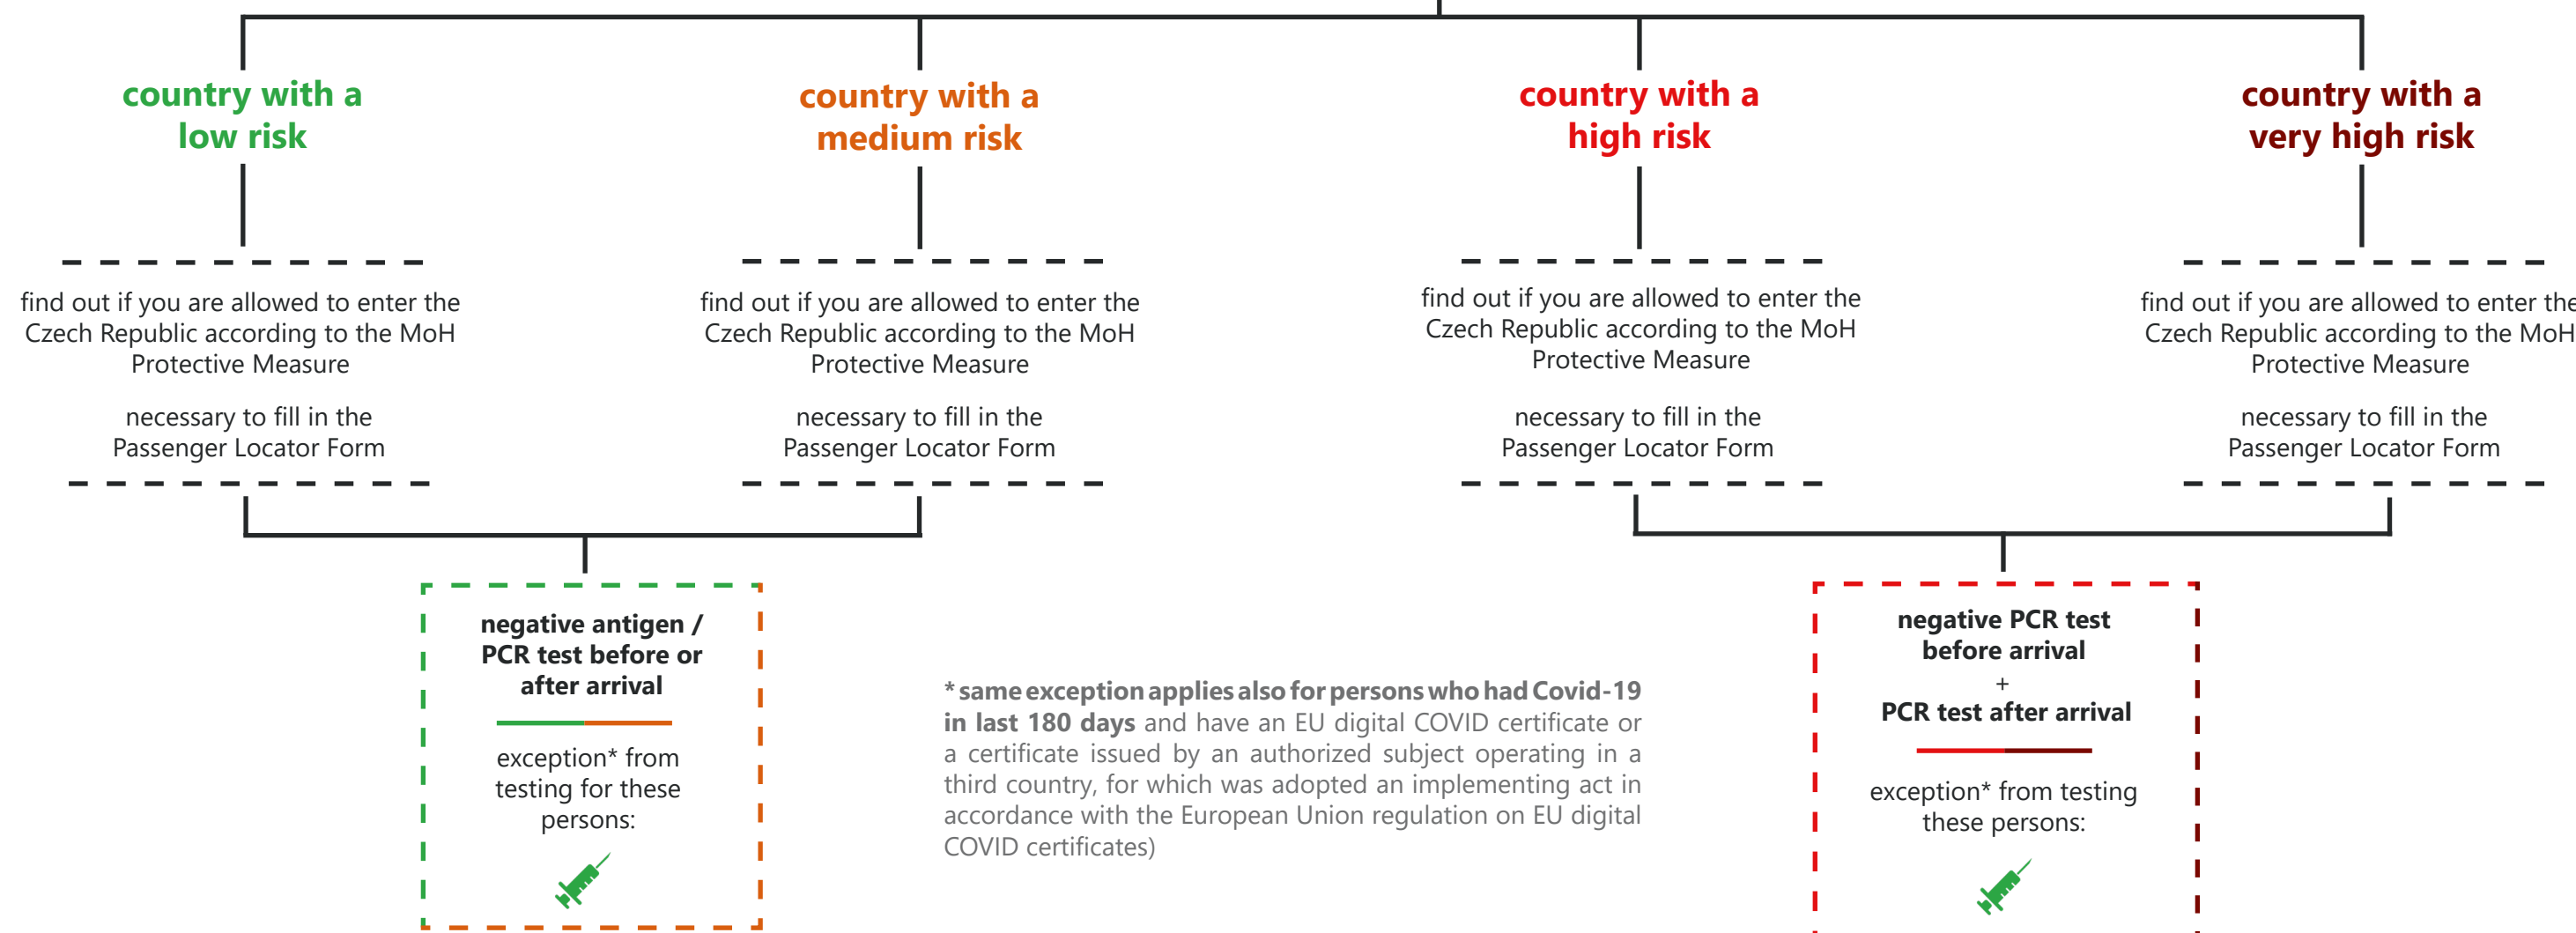

third-country nationals who have a short-term visa issued by the Czech Republic before 11<sup>th</sup> May 2020 or short-term or long-term visa issued by other EU+ country

**it is possible to enter the country only for the reasons listed in the Ministry of Health (MoH) Protective Measure**

**Third-country nationals, who do not have any residence permit issued by the Czech Republic or long-term or permanent residence permit issued by other EU+ country, or who are not residents of countries with a low risk, are not allowed to enter the Czech Republic. There are several exceptions from this ban that are listed in the part II. / 1. of the MoH Protective Measure.**

From which country are you arriving?

Travellers from all countries have an obligation to fill in the Passenger Locator Form before the arrival.

There are several exceptions from the obligation to fill in the Passenger Locator Form or undergo testing. **All rules and exceptions can be found in the Ministry of Health Protective Measure.**

A list of countries with a low, medium and high risk of Covid-19 transmission can be found here. **A country listed in neither list of countries is considered as a country with a very high risk of Covid-19 transmission.**

Groups of persons, who do not have the obligation to undergo testing and self-isolation after the arrival:

**vaccinated persons** - 14 days after the application of the last dose - according to these rules:

- **vaccinated in the EU+** - it is necessary to have an EU digital COVID certificate
- **vaccinated outside of the EU+** - it is necessary to have an EU digital COVID certificate or a written confirmation whose sample is published on the Ministry of Health website; **only vaccinations approved by EMA or products produced in compliance with the patent of the approved vaccinations are accepted**

### Rules for testing:

#### Testing before starting the travel to the Czech Republic:

- 1) PCR no older than 72 hours
- 2) antigen no older than 48 hours

**Testing after arrival to the Czech Republic** - between 5<sup>th</sup> and 7<sup>th</sup> day after the arrival from a country with a high or very high risk; until receiving a negative result of a test it is obligatory to wear a respirator outside of the accommodation.
